

# THE MYSTERIOUS DEATH OF ADAM LANZA

The following is derived directly from official Social Security death records. Please note the date of death.

The screenshot shows the GenealogyBank website interface. At the top, there is a navigation bar with links for "Log In" and "Subscribe". Below the navigation bar, there is a menu with links for "Home", "About Us", "Help", "Learning Center", and "Store". There are also links for "Site Feedback?" and "Questions? Call 1-866-641-3297". The main content area displays a "Social Security Death Index (SSDI) Death Record" for "Adam P. Lanza". The record includes the following details:

Name:	Adam P. Lanza
State of Issue:	New Hampshire
Date of Birth:	Wednesday April 22, 1992
Date of Death:	Thursday December 13, 2012
Est. Age at Death:	20 years, 7 months, 21 days
Confirmation:	Proven

Below the record, there is a "Disclaimer" box containing the following text:

Disclaimer: The Social Security Death Index is made available to the public through a number of websites, including GenealogyBank.com. GenealogyBank is only a host for the Social Security Death Index. As a result, we do not control the information that is provided us in the SSDI. In order to have information corrected or removed, please contact your local Social Security Administration (SSA) office. Documented proof of an error may be required. Contact information for your local office can be found at <http://www.ssa.gov>.

On the right side of the page, there is a sidebar titled "Continue Discovering Your Family's Past" which lists several related links:

- [Lanza family Recent Obituaries \(1977-Today\)](#)
- [Lanza family Historical Obituaries \(1704-1999\)](#)
- [Lanza family in Newspaper Archives \(1690-2010\)](#)
- [Search all of GenealogyBank for the Lanza family](#)

At the bottom of the page, there is a footer with links for "In the news", "contact us", "affiliates", "privacy policy", "terms of use", "site map", and "blog". To the right of the footer, there is a logo for "NewsBank".

Got it before it could be scrubbed or altered. Now take a look at the date of death for Nancy Lanza, Adam Lanza's mother.
